

Saudi Family Resident Visa Process & Requirements.

For applying for family visa at Saudi, the following are needed.

1. Marriage Certificate duly attested by Saudi Embassy or Consulate.
2. Children's Birth Certificates duly attested by Saudi Embassy or Consulate.

For doing the Saudi Embassy / Consulate attestation, we need only the Original Marriage, Children's Birth certificates and it will take about one week to get it translated, certified by Notary, Local GAD (General Administration Dept.) and finally attested by Saudi Consulate.

Once the family resident visa slip is got at Saudi, to endorse the same at Saudi Consulate, Mumbai we need the following.

1. Copy of Family resident visa slip ([See Sample](#))
2. Valid Passport copy (first page & last page) and Valid Aqama (Resident Permit) copy of the Sponsor – Husband, Father or whoever taking the visa for his family members.
3. Original Passports (should have minimum 8 months' validity & should contain facing blank pages) + Recent colour photos (white background, size 4x6 cm) – 4 Nos. each; of the family members to whom visa has to be endorsed + old passports, if any.
4. Final Exit Paper (if any); in case travelled to Saudi before on Resident visa.
5. Medical Report from GAMCA approved medical centres ([GAMCA Centre Addresses](#)) for all those whose age is 12 and above.
6. For children below the age of 12, no medical report is needed. Instead Polio Certificate duly attested by Saudi Consulate has to be submitted. Polio certificate should bear the photo of the child and should be a printed or typed one. ([Polio Certificate Sample](#))

N. B : 1. In wife's passport in last page, if husband's name is **not** there as name of spouse; then **Original Marriage Certificate, duly attested by the Saudi Embassy / Consulate is also needed for the family resident visa endorsement.**

2. For doing medical, mofa no. has to be issued first. For that we need person's passport copy (first page, last page and amendment/correction page) + scanned recent colour photo (white background, size 4x6 cm).

One has to go for medical with Passport, 6 Photos (same type given for taking Mofa No.), Mofa No. and medical fee of about Rs. 4500. Once medical is finished Passport, old passport, 4 photos (same type given for medical), medical report has to be couriered to us for the visa process.

3. Polio Certificate can be processed and submitted for Saudi Consulate attestation in advance. For Polio certificate we need Passport copy (first page & last page) + recent colour photo (white background, size 4x6 cm). It will take about one week to complete polio certificate attestation.

4. Time Frame : Mondays to Thursdays are the submission days for Family resident visas – once submitted it will get back visa endorsed on the next day or the following day. Once resident visa is endorsed the person has to travel within 90 days. Resident visas can be endorsed up to a period of one year once the Resident visa slip is issued at Saudi.
